Name:

Date: February 2019

Dear Parent/Guardian:

The New Jersey Department of Health and Senior Services recently revised Chapter 14, which establishes the immunization requirements for pupils in schools and childcare centers. **The revision includes two vaccines for students entering sixth grade.**

- One dose of Tdap vaccine (Tetanus, Diphtheria, Acellular Pertussis)  
Given no earlier than the 10<sup>th</sup> birthday.
- One dose of a Meningococcal vaccine, (Meningococcal conjugate vaccine)  
Given no earlier than the 11<sup>th</sup> birthday.

**Your child will not be allowed to start school in September 2019 without these State Mandated Vaccines.** Please remember to have these vaccinations done by May 2019. Students who have an 11<sup>th</sup> birthday occurring between June 1, and September 1, 2019 should complete this requirement within two weeks after the student's birthday.

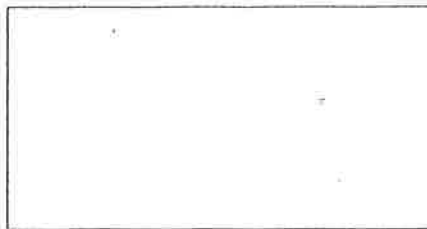

Sincerely,  
*Valerie Newman RN*  
*Lauren Young RN*
