

Ready to make the 2021-2022 school year the best one yet? We sure are!

Who is the “we” you ask? We are the **Auten Road School Home & School Association (ARSHSA)** and we’d like to welcome all students and families to Auten Road School! Whether you have been to our school in the past, or if this is your first experience with ARIS (that’s right, everyone in town calls the **Auten Road Intermediate School “ARIS”**), we want to properly introduce ourselves and the role we hope to play in making the year fantastic for our entire community of teachers, administrators, families, and—most importantly—the MINI RAIDERS!

ARSHSA is a not-for-profit organization made up of parents, staff, and administrators who work together to benefit the general well-being of students and promote a closer relationship between home and school. **And we invite you to play an important role in these efforts!**

ARSHA offers parents and guardians many different ways to contribute to the ARIS experience. **Our annual budget is more than \$50,000.** Each year, we raise funds to support school assemblies, special clubs like computer coding and drama, Scholastic magazines, classroom books, 5th grade tee shirts (trust us, you will wash these tees *a lot*; kids love wearing ARIS spiritwear!), staff appreciation events, staff grants, the STEM summit, various family fun events such as the Wizards Game, and end-of-year Carnival!

Learn a little more about us, a few key dates and major activities that take place throughout the years, and get ready to contribute in the ways that make the most sense for you—whether that contribution is your **time** when volunteering to lead or be part of a committee, or **financially** through *Invest in Your Child*, or in **relationships** should you have connections that can help us bring more members of the Hillsborough community into fundraising efforts. These are all meaningful ways for parents and guardians to contribute and help our kids have a terrific school year. The first step is to become a dues paying member of ARSHSA. We hope you’ll join and get involved in the ARIS experience this year.

WAYS TO GET INVOLVED

1. Become a Member

Be sure to join ARSHSA by filling out the Membership form on **page 3**. It costs \$12 for a Basic Membership. Registration for Membership can be completed via **Community Pass**, which provides you the ability to pay by credit card or debit card. See **page 7** of this packet for instructions on how to become an ARSHSA member through Community Pass. Families who register before September 23, 2021 will receive a small token of our appreciation (a cinch sack, tee shirt, or water bottle while supplies last).

2. Volunteer your time

Our success as an association can only be accomplished through the commitment of parent volunteers. Snack days, book fairs, STEM Summit, teacher appreciation events, yearbook photographers, and the end-of-year carnival *are just a small sampling* of the activities where we count on parents to donate your time and energy. For a full list of fundraiser committees and events, be sure to check out our website. If you are interested in volunteering your time, but not sure where to start, just email us at executiveboard@autenroadhsa.org. See **page 4** of this packet for more details on our annual fundraisers and events.

3. Contribute financially to support our programming

Through ARSHSA's annual fundraising efforts, we aim to raise over \$50,000 to support the programs planned for each academic school year. Reaching that goal is made possible thanks to the generous families who contribute to our financial strength. You will feel good knowing that 100% of the money supports ARSHSA and your ARIS student(s). See **page 5** of this packet for more details on the *Invest in Your Child* program.
